## 2. Band Biographie

The Band was formed in 2008 in Weil der Stadt, Germany, under the name "Epic Fail" and renamed into "SYRENCE" in 2011. From the original Line-up "Oschlo", "Strikar" and "Fritz" are still active. Since the beginning the band only plays self-written songs. After live-shows for almost a decade, the first Demo "5.0" was released in 2016 with "Johnny" as new vocalist. In 2017 "Juli" joined as new guitarist and some more gigs followed before the band recorded their first full-length album "Freedom in Fire" which was released in February 2019 with Fastball/Souldfood.
